Note:

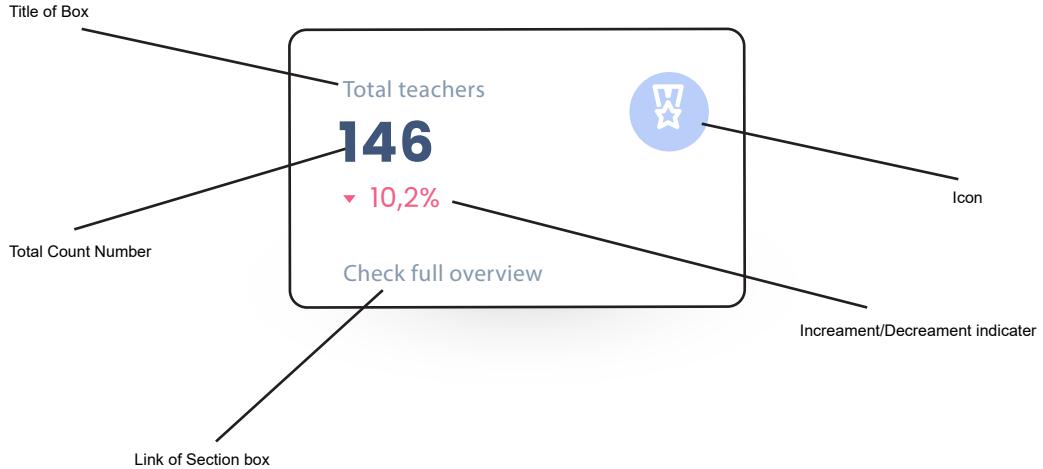

Admin Main Dashboard

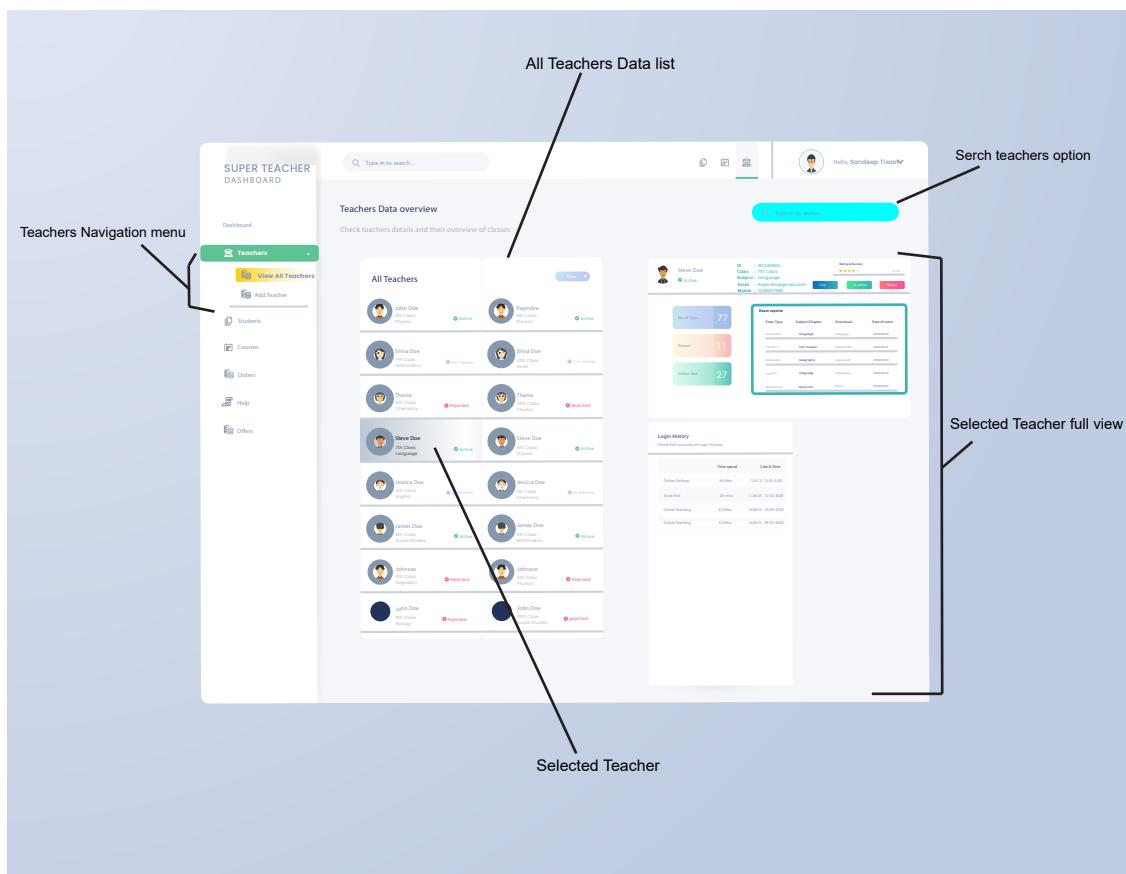

Explanation

In the main Dashboard, we need to show Total Students Box, Total Teachers Box, Total Orders Box. In each section box, we need to show "Total Count Number" and the percentage of improvement and decrement according to last month's overview.

Box Section Explanation

Teachers Dashboard

In **Teachers Dashboard**,

we have two main option

1. Teachers Overview (All teachers data & their overview)
2. Teachers adding section

In, Teachers Overview, we need to show full teachers list and every teacher's full detail.

All Teachers Adding page

The screenshot shows the 'SUPER TEACHER DASHBOARD'. On the left, there's a sidebar with a 'Teachers' dropdown menu open, showing 'View All Teachers' (selected), 'Add Teacher' (highlighted in yellow), 'Students', 'Courses', 'Orders', 'Help', and 'Offers'. The main content area has a search bar at the top. Below it, a sub-header says 'Add Teacher' with the sub-instruction 'Add teachers details and their class preference'. The 'Add Teacher' form contains several input fields: 'Name of the Teacher' (with placeholder 'Enter Full name of the teacher here'), 'Teaching Details' (with dropdown menus for 'Select Class' and 'Select Subject'), 'Email & Mobile Number' (with placeholder 'Enter email ID of the teacher here' and 'Enter Number of the teacher here'), 'Preference of The Teacher' (with radio buttons for 'Use', 'Recorded', and 'Documents', where 'Use' is selected), 'Upload Profile' (with a button 'Upload JPG/PNG'), 'Create Password' (with a placeholder 'Enter password here'), and a note at the bottom stating '* Add atleast one digit, small caps, big caps, and symbols'. At the bottom right of the form are two buttons: a green 'CONTINUE' button and a red 'RESET' button.

Students Overview Board

The screenshot displays the Super Teacher Dashboard interface. On the left, a sidebar menu includes options like Dashboard, Teachers, Students (selected), Add Student, Courses, Orders, Help, and Offers. The main area features a search bar at the top. Below it, the "Student Data overview" section shows a summary of registered students: Total Enrolled (123), Pending (16), and Rejected (27). A "Register Students" button is also present. The central part of the dashboard is the "All Students" list, which displays eight student entries with columns for Name, Class, Subjects, Payment Info, and Action buttons (Check, Reject). To the right, there's a "Register Students" section with a form for inputting student details like Name, Class, Subjects, and Fees Paid. Below this, the "Exam Reports" section provides a breakdown of student performance across various subjects and chapters. At the bottom right, a "Chat With Student" feature allows users to send messages to students.

Course Adding board

The screenshot displays the 'SUPER TEACHER DASHBOARD' interface. On the left, a sidebar menu includes 'Dashboard', 'Teachers', 'Students', 'Courses' (which is selected and highlighted in green), 'Orders', 'Help', and 'Offers'. Under 'Courses', there are 'View All Course' and 'Add Course' buttons, with 'Add Course' being the active button. The main content area features a search bar at the top right. Below it, a 'Course Data overview' section shows 'Check Course details and their overview of payments' with statistics: Total Courses (92), Active Courses (79), and In-active (13). A 'Course Data' card provides a breakdown of course types:

- Actual : 79
- Offers : 13
- Offers% : 16%

 A large central box titled 'Add Course' contains fields for Name of the Course (with placeholder 'Enter Full name of the student here'), Duration (with placeholder 'Select Duration in calendar'), and Appoint Teachers (with a 'Done' button). It also includes sections for Course type (Radio buttons for 'Quiz', 'Record Videos', and 'Documents'), Course Price (Actual, Offers, Offers%), Start Date, Number of Slots, and two buttons at the bottom: 'ADD' (green) and 'RESET' (red).
